Representative Ann Kuster
137 Cannon House Office Building
Washington, D.C. 20515

Dear Representative Kuster:

Pursuant to a Petitioned Article Request in the Town of Sandwich's 2014 Town Warrant, we, the Board of Selectmen in the Town of Sandwich, would like to go on record to report the following vote in the affirmative:

"To see if the Town will urge that the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that guarantees the right of our elected representatives, and of the American people, to safeguard fair elections through authority to regulate federal spending, and clarifies that constitutional rights were established for people, not corporations.

That the New Hampshire Congressional delegation support such a constitutional amendment.

That the New Hampshire State Legislature support such an amendment, once it is approved by Congress and sent to the State for ratification.

The record of the vote approving this article shall be transmitted by written notice to Sandwich's congressional delegation, and to Sandwich's state legislators, and to the President of the United States, informing them of the instructions from their constituents by the Selectmen within 30 days of the vote."

[Article #49, 2014 Town Warrant]

We appreciate your time and consideration of this effort.

Respectfully,

Arthur R. Kerr, II

Willard G. Martin
