

## Resolution

RESOLVED, That the Board of Selectmen of the Town of Roque Bluffs, Washington County, Maine, calls upon the United States Congress to pass and send to the states for ratification a constitutional amendment to reverse *Citizens United v. Federal Election Commission*; and to clarify that:

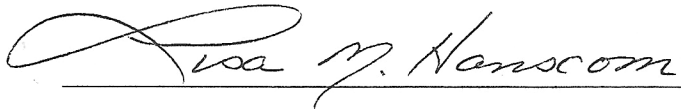

For-profit corporations are not entitled to the Constitutional protections or "rights" of natural persons;

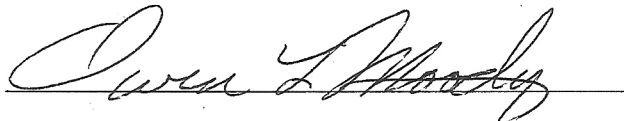

And that: Money is not speech, and therefore regulating election-related spending is not equivalent to limiting political speech.

And

RESOLVED, that we instruct the State representatives of Maine to make the need and support for a constitutional amendment known to our state's Congressional delegation, and to the Congress at large and to ask for their position on such an amendment.
