A meeting of the Board of Selectmen was held this date in the Meeting Room, Town Hall, Northeast Harbor, Maine.

Those present included: Chairman Tom Richardson; Selectmen Martha Dudman, Rick Mooers, and Dennis Shubert; staff members Town Manager Durlin Lunt, Fire Chief Bender, Public Works Director Tony Smith, Harbormaster Shawn Murphy, Attorney James Collier, and Town Clerk/Recording Secretary Joelle Nolan; and members of the public. Selectman Macauley was excused.

I  Call to order at 6:30 p.m.
Chairman Richardson called the meeting to order at 6:30 p.m.

II  Public Hearing(s)
A.  Special Amusement Permit Class E  Asti-Kim Corporation
Chairman Richardson opened the public hearing at 6:32 p.m. and asked for public comment. Hearing none, he closed the public hearing at 6:33 p.m.

MOTION: Selectman Mooers moved, seconded by Selectman Shubert, to take agenda item VIII New Business B. out of order. The vote was unanimous in favor, 4-0.

VIII  New Business
B.  Crane Road Commercial Quarrying and Excavation Operation, citizen request for discussion
Town Manager Lunt introduced the subject noting that he had met with the concerned parties, Mr. and Mrs. Shencavitz and Peter Aylen. Attorney James Collier was present representing the Town.

Chairman Richardson questioned why the parties have not gone before the Planning Board or Zoning Board of Appeals, and why the issue has come before Board of Selectmen.

Mr. Aylen explained they had met with Town Manager Lunt and at his suggestion they wrote a letter to the Selectmen expressing their concerns. They are trying to find out what avenues are available.

Attorney Collier gave an overview of what has been taking place. Quarrying, as such, is not an allowed use in the Town of Mount Desert’s Land Use Zoning Ordinance; however, mineral extraction allowed. He has talked with Attorney Pileggi, representing the Hall Quarry residents and Attorney Bearor representing Harold MacQuinn, Inc. The quarrying has stopped for now. Freshwater Stone Inc. plans to
go to the Planning Board for a resolution. That is the forum for discussion regarding
hours of operation, etc.

Attorney Pileggi commented that Freshwater Stone has pulled out of the quarry and
seems to be honoring the agreement. He agrees the land use process is appropriate;
and mentioned a wetlands issue.

Chairman Richardson reminded them that the Zoning Board of Appeals is an option.
Selectman Shubert asked if there are similar situations in Hall Quarry. Mr. Shencavitz
said he had concerns that if this operation sets a precedent, others could start as well.
He went on to describe the noise level, and said his property is uninhabitable from the
noise.

Selectman Shubert asked Attorney Collier at what point is it important to have Board
of Selectman opinion of the preferential outcome. Attorney Collier replied the
preferential outcome is to proceed with the Planning Board process, Code
Enforcement Officer review, and Zoning Board of Appeals. Chairman Richardson
stated the Board of Selectmen has no right to tell the Code Enforcement Officer or
Planning Board how to conduct its job. There is a process.

Attorney Collier opined that the Land Use Zoning Ordinance needs a better definition
of abandonment; this happened due to mineral extraction allowed as a use in the
LUZO.

It was agreed that the process would continue with the Planning Board and Chairman
Richardson thanked all for coming.

A. Proposed Resolution regarding the Removal of Corporate Money From Elections
Russell Snyder was present and stated he is a resident of Mount Desert and a circulator of the petition. The proposed resolution calls for amending the Constitution to ban contributions to political campaigns from corporations – in other words to take big money out of politics. This is a national drive prompted by the U.S. Supreme Court’s ruling that corporations have the same political rights as individuals. The hope is the petitions will pressure state and national legislators to obtain an amendment.

DISCUSSION: Selectman Dudman said she supports the resolution; from the names on the petition she senses a strong sentiment in favor.
