

Please find enclosed a copy of a Resolution duly adopted by vote of the Town of Leeds at its Annual Meeting on Saturday, June 2, 2012. In accordance with the vote of the Town

“to begin the process of amending the Constitution in response to *Citizens United*, but also to exercise persistent energy, courage, and ingenuity in proposing, supporting, and ultimately enacting new laws to regulate the negative impact on democracy of excessive campaign spending, so that the people’s representatives in government at all levels will not be unduly influenced or distracted by the raising and spending of money to influence future elections.”
