LOCAL LAW of 2011
TOWN OF BRIGHTON
"HYDRAULIC FRACTURING AND RELATED ACTIVITIES
MORATORIUM LOCAL LAW"

Section 1. Title

This Local Law shall be known as the "Hydraulic Fracturing and Related Activities Moratorium Local Law" of the Town of Brighton.

Section 2. Purpose

While hydraulic fracturing and directional gas drilling are not currently permitted uses in any zoning district in the Town of Brighton, the Town Board desires to take further steps to ensure that neither hydraulic fracturing, directional gas drilling nor any ancillary or related uses or activities take place within the Town, pending review, drafting and adoption of Town Code provisions relevant to such activities. Serious health and environmental impacts caused by these uses could threaten the health of the residents in the Town, could require the use of massive amounts of water, or the transportation of massive amounts of water causing impact to Town highways and could cause other aesthetic, environmental and public health impacts, resulting in the degradation of the quality of life in the Town of Brighton and the Town’s infrastructure. It is the purpose of this local law to enable the Town to have sufficient time to consider, draft and enact a local law or laws relating to hydraulic fracturing, directional gas drilling and related or ancillary uses to avoid such negative impact within the Town of Brighton.

Section 3. Moratorium

The Town Board hereby enacts a Moratorium which shall prohibit the review of any application, the grant of any approval or permit, the issuance of any use or area variance, the grant of any preliminary or final site plan or subdivision approval, and/or the issuance of any other Town approval or permit relating to any wells involving the practices involving of directional gas drilling or hydraulic fracturing, or any use, business or project involving the storage or vehicular transport of water to be used for hydraulic fracturing or any hydraulic fracturing fluids or waste materials on, over, or about any real property within the Town.

Section 4. Supersession of Provisions of State Law

This Local Law is enacted pursuant to Section 10 of the Municipal Home Rule Law, and under section 22 of such Law, is intended to supersede Sections 261-a, 264, 267, 267-a, 267-b, 273, 274-a,
274-b, 276, 277, 278, 279, 280 and 280-a, as well as all inconsistent provisions of the Town of Brighton Code or Town ordinances.

Section 5. Term of Moratorium

This Local Law and the Moratorium established hereunder, shall expire one year from its effective date.

Section 6. Effective Date

This Local Law shall take effect immediately upon filing with the Secretary of State.

Section 7. Severability

If any clause, sentence, phrase, paragraph or any part of this Local Law shall for any reason be adjudicated finally by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this Local Law, but shall be confined in its operation and effect to the clause, sentence, phrase, paragraph or part thereof, directly involved in the controversy or action in which such judgment shall have been rendered. It is hereby declared to be the legislative intent that the remainder of this Local Law would have been adopted had any such provision been excluded.

RE: TOWN OF BRIGHTON - TRAFFIC CONTROL DEVICE ORDINANCES

Dear Ms. Kramarsky,

As you know, the following road in your town was transferred from New York State jurisdiction to Monroe County jurisdiction in November, 2007.

- East River Road from Jefferson Road (Rte 252) and City Line @ Genesee Valley Park

We are in the process of updating our traffic sign records since this was previously a New York State road, there may not be any Town ordinances for the traffic regulations. Therefore, we are requesting that the Town pass ordinances for the traffic regulations pertaining to this section of roadway. Below is our standard “Traffic Control Device Ordinance” form with instructions. Thank you for your cooperation in this matter.

The Monroe County Department of Transportation, pursuant to authority granted by Sections 1651 and 1652-a, of the New York State Vehicle and Traffic Law, does hereby request the establishment of the following traffic controls.

Pursuant to the discussion at the December 7, 2011 FASC meeting with Chief Henderson, Brian Hart of Brown & Brown and the Committee, we are ready to move forward with terminating the current LTD insurance agreement with American General and initiating coverage with CIGNA.

The change in carriers will allow the Town of Brighton to effectuate the following positive enhancements to our LTD coverage for employees, all at no cost to the Town:

a. Establish a new, separate class of LTD coverage for Police Officers at very competitive rates, allowing for Police Officers to opt for coverage with little economic impact to their bi-weekly checks,

b. Continue the existing Non-Police employee class coverage at an average rate reduction of 53% per employee premium.

CIGNA has agreed to maintain the 2012 rates for a 36 month period. All existing American General policy holders will be shifted to the new CIGNA rates without any lapse in coverage.

I am requesting that the FASC authorize termination of the American General LTD policy and authorize the approval of a new LTD policy with CIGNA, which will also include a separate category for Police coverage.

RE: Approval to Enter into a Contract with PERMA for 2012 NYS Workers’ Compensation Coverage

The Risk Management advisor to the Town of Brighton, Aldrich & Cox, James Hood, Principal Advisor, and the Broker of Record for this contract, Paris-Kirwan Associates, Inc, Jerry Doberstein, Vice President, recommend that the Town enter into an agreement for full coverage of all Workers' Compensation claims for 2012 with PERMA (Public Employers Risk Management Association) of Albany, NY. PERMA has provided coverage for the Town since 2010. PERMA has provided three cost options for the Town, as illustrated on the attachments.

Mr. Hood and Mr. Doberstein recommend that the Town accept Option 2 for 2012, (see the attached letter from Mr. Hood).

The Town will pay PERMA a set cost of $219,787 for coverage. A 2% discount ($4,396) can be earned by paying PERMA by January 15, 2012, resulting in a net cost of $215,391. In addition, the Town agrees to pay the NYS WC Board annual assessments associated with the coverage at an estimated cost of $33,600.

I recommend acceptance of this proposed Option 2 from PERMA for 2012.

MEMORANDUM

To: The Honorable Town Board  
From: Suzanne Zaso, Director of Finance  
Date: December 19, 2011  
Subject: Budget Appropriation, Ambulance Special District

In September the Town Board passed a resolution to borrow $100,000 towards an ambulance purchase of $157,650. The remaining $57,650 was stated to come from funding in the ambulance district. In preparation of the 2011 budget, $50,000 was budgeted in an account to transfer to a capital project for the ambulance purchase. I am now requesting that the Town board authorize the appropriation of $7,650 from fund balance in the Ambulance special district to expenditure account SA.AMBUD.3600 9.10 (transfer to capital projects). Please note that these funds were appropriated in the 2010 adopted budget but we not able to transfer them to the capital project since it was not initiated until 2011.

Dear Mr. Keef:

The purpose of this letter is to confirm our conversation regarding Heritage Christian Services (HCS) commitment of a Payment in Lieu of Taxes (PIOLT) Agreement with the Town of Brighton.

- The agreement is not required by any statutory authority and is limited to the proposed new six bed home at 1200 Winton Road South.
- HCS commits to $250 per unit/bed for a total of $1,500 per year. The amount would not be subject to escalation.
- The PILOT will become effective upon the issuance of a certificate of occupancy and will be prorated the first year.

Tim, we appreciate the opportunity to work with the Town of Brighton.

WHEREAS, the US Supreme Court’s 5-4 ruling in Citizens United v. the Federal Election Commission, rolled back legal restrictions on corporate spending in the electoral process, allowing unlimited corporate spending to influence elections, candidate selection, and policy decisions, thereby threatening the very foundation of our democracy; and

WHEREAS, money affects the quality and quantity of speech and is not, in itself, speech; and allowing corporations to use money as speech effectively drowns out the protected free speech of the people in our diverse society; and

WHEREAS, the Citizens United decision effectively supersedes federal and state efforts to regulate corporate spending in elections; and

WHEREAS, the Town Board of the Town of Brighton, Monroe County, New York, desires to express its opposition to the decision of the United States Supreme Court in Citizens United that eliminated restrictions on corporate spending to influence elections; it is therefore

RESOLVED, that by the adoption of this resolution, the Town Board
of the Town of Brighton, Monroe County, New York hereby expresses its support for an amendment to the United States Constitution, and such other state, federal and/or local legislative actions in connection therewith, to reverse so much of the holding in the Citizens United case as declared that governments can not regulate corporate speech, other than by disclaimer and disclosure requirements, to ensure that expenditure of corporate money to influence the electoral process is not free from legitimate regulation.
