Bed & Breakfast - Chapter 15 Definition: Mayor Hayes turned the discussion over to Councilmember O'Donnell who requested the agenda item. Councilmember Tracey stated she would recuse herself from the discussion.

Councilmember O'Donnell stated that Chapter 15.10.125 allows for a choice between a bed & breakfast in an owner-occupied home **or** property that provides up to five rooms for this purpose. He stated he doesn't feel there is a threat to a manager style ownership.

Dave Tracey, 616 2nd Street, stated that their goal has been to sell Katy's Inn. When they moved out to their home on 2nd Street, they were given six months by Administrator Doyle to sell using an onsite manager to run the Inn. After this point, the issue was referred to the Planning Commission for review regarding the La Conner Municipal Code and the Commission requested the Administrator to draft the code changes although they had concerns about a conflict with the Comprehensive Plan and manager run bed & breakfasts. The Planning Commission voted on August 21, 2012 to reject the revised code language provided by the Administrator. Mr. Tracey encouraged the council to adopt the revised code language regarding bed & breakfasts.

Alvin Anders, 117 Maple, favors changing the code.

Bob Raymond, 608 S 2nd Street, expressed concerns regarding encroaching on residential neighborhoods. He suggested drafting an extended grace period.

Barbara Brunisholz, 515 Talbott, favors preserving residential neighborhoods and follow the current Comprehensive Plan.

Kristina Lowe, 515 S 3rd Street, shared her appreciation for the community service that the Tracey's provide to La Conner. She supports changing the code.

Casey Schanen, 617 S 3rd Street, asked what the difference was between a vacation rental and a bed & breakfast. Councilmember O'Donnell stated we do not have it in our municipal code.

Martin Howard, 13105 McLean Road, doubts that there would be an influx of bed and breakfasts if the code was changed.

Alvin Anders, 117 Maple, stated there is a shortage of rooms to rent on Saturdays in April, July & August in La Conner.

Joy Gardner, 504 S 3rd Street, favors giving a grace period to the Tracey's.

Christine Howard, 13105 McLean Road, stated they are hardworking people and support the Town in many ways and supports them 100%.

Sarah Nelson, La Conner Country Inn, supports giving them time to sell Katy's Inn.

John Leaver, 620 S 4th Street, supports giving them an extension to sell Katy's Inn.

Katie Howell, 117 Maple, stated that a closed business does not sell for as much and the clientele would have to be rebuilt, and supports consideration for the Tracey's.

Mayor Hayes stated he wanted to present this issue at the September 25 council meeting so the Administrator could be present. He stated there are two options – 1) ask the Administration to give them more time, or 2) or have the council request a code amendment which would send the issue back to the Planning Commission.

Councilmember Welch stated he would like to resolve this in a friendly way and wait until the council vacancy is filled before addressing the issue.

Councilmember Brunisholz stated that this is not about the Tracey's, and he is not supportive of the change and favors owner occupied bed and breakfasts. He stated that councilmembers are held to a higher standard and should follow the rules and abide by the Planning Commission's decision. He does not support changing the code.

Councilmember Tracey stated that they would never have moved out of Katy's Inn if Administrator Doyle hadn't told them he would work with them and this wasn't going to be a problem before they signed any agreement to make a move. She stated they did know the code, discussed it with Administrator Doyle and he gave them a six month grace period. At that time they had an interested party in buying the Inn.

Mayor Hayes stated that he needs to talk with the Administrator to get more information on the issue and see if there is any flexibility.

Councilmember Welch moved to postpone action on this issue until a new councilmember is seated and if a new councilmember is not seated within 30 days, the enforcement window for cease & desist business at that time be extended until a new councilmember is seated and an adequate discussion on this topic can occur. Seconded by Councilmember O'Donnell. Carried 4-0.

David Tracey, stated that he received an email from Administrator Doyle stating he would not issue the letter regarding cease & desist doing business pending the fact that the issue is now before the council.
