March 8, 2016

The deliberative session of the 2016 Epping Town Meeting was held at the Epping Town Hall on February 2<sup>nd</sup>, 2016. There were 62 registered voters in attendance. The meeting was called to order by Moderator Robert Goodrich at 7:06 p.m. The Moderator explained that at this session we would be discussing the articles that will appear on the ballot. Candidate's night will be on Wednesday, February 24<sup>th</sup>, 2016 and it will be held at the Epping Town Hall. Final voting will be official ballot on March 8<sup>th</sup>, 2016.

### Dedication

Selectman Thomas Gauthier dedicated the annual report to the Epping Historical Society. Selectman Gauthier stated that back in 1971 a few people banded together to form an Organization to preserve and promote the history of Epping. The Epping Historical Society received its State Charter in 1971. After holding their first meeting and receiving their charter, President Joy True turned over the gavel to Winthrop Snow to be the new leader. Many people were involved, who included

Madeline Williamson, Gemma Jean King, Bob Kimball, "Buster" Sanborn, Fran Allen, Aida Young, Virginia LaPierre, Joy Kanellis, Irene Cote and many others. For the first two years the meetings were held in the Lydia Ladd Room at the library, but soon it was realized that the library could no longer house all of the museum artifacts being received from the town's people. John and Minnie Warren purchased the old A&P and it was given to the society as a gift. With borrowed money the building was renovated. It should be mentioned that a lot of fundraising was involved to meet the society's debt. As part of their mission, the society offers a scholarship every year to qualified seniors interested in history. The society is staffed and kept open by volunteers. They make copies and detailed lists of our material and enter the information into the computer. On Monday's you'll find about five dedicated workers, Irene Cote, Joanne Thibodore, Virginia Allen, Jenny Allen, Lee Allen and Joy True. Jenn and Lee Allen trim and copy newspaper articles that were compiled by Don Sanborn. As Don

always said, "today's news is tomorrow's history." Don also had thousands of file cards with vital records that are being entered into the computer. Many thanks to Virginia, Irene and Joanne for doing a major part of the work by archiving many of the collections. The Epping Board of Selectmen recognizes the hard work and dedication to society and it dedicates the 2015 Annual Report to the Epping Historical Society.

### Special Dedication

It started with a man who had a vision. A vision to make unused space at Epping Town Hall useable for all. His idea was to use the meeting room at the town hall upstairs in the unused Kendall Chase Auditorium. But first a lift was needed so those with disabilities could enjoy the space as well. After the lift was installed, a new hardwood floor was added in the auditorium and was divided into a meeting room, a conference and a new studio for ETV. The Kendall Chase Auditorium never looked so good and the character of the building remains the same. In 2014 all meetings were being broadcasted in this new space and each board and committee that meet there agreed that it is a magnificent improvement with a larger space to meet in with state of the art equipment for ETV. The Epping Town Hall was transformed into a fully functional building once again. Much can be said about the ideas that went into this transformation and we would be remised if we did not thank the citizens of this town who voted the money to get this job done. The man with the vision was a catalyst of this project and his determination to see the project through was unrelenting and his name is James McGeough. Even though he has been fighting his own health issues, he was persistent in his efforts and saw the project through too its completion. It is only fitting that the Epping Board of Selectmen dedicate the new Epping Television Studio in his name, and this will be forever called the James P. McGeough ETV Studio dedicated February 2, 2016.

### Article 1: Industrial Commercial Zone – Permitted Uses – Zoning Article 3

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance to add kennels as a permitted use in the Industrial Commercial Zone? Kennels are only permitted uses in the Residential and Rural Residential Zones on a small scale basis. Kennels are defined as follows: any structure or premise in which house pets are kept, groomed, boarded,

bred or trained for commercial use. [Recommended by the Planning Board 4-0] Majority Vote Required

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Joseph Foley explained that this article does not change anything that people can do in their homes with small kennels. It allows a large scale facility similar to the Barking Dog in Exeter to be located in the industrial commercial area.

**YES – 716 NO – 266**

**Article 1 PASSED**

### Article 2: Non-Conforming Structures – Rebuilding – Zoning Article 6 Section 6

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance to allow non-conforming structures to be rebuilt in the same footprint of the existing structure if the structure is completed within two years? Currently a non-conforming structure has to be completely or substantially destroyed by casualty loss (fire, flood, etc.) to be replaced.

[Recommended by the Planning Board 4-0] Majority Vote Required

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Joseph Foley explained that there were two or three cases in the last year where people wanted to rebuild nonconforming structures. As our ordinance is written it would have to be a structure hit by lightning, burned down, flooded, or something similar and then they could do it. We felt people should have the right to rebuild and make it better without having to come the ZBA for a variance.

**YES – 793 NO – 187**

**Article 2 PASSED**

### Article 3: Home Occupation – Zoning Article Section 7

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance to limit the number of pieces of heavy equipment that may be stored on a parcel of land for a home occupation to two (2)? It will also add landscaping

and carpentry to the list of permitted home occupations, and remove construction and site contractors from the list of permitted home occupations. This *will not* affect any current home occupations. **[Recommended by the Planning Board 4-0] Majority Vote Required**

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Joseph Foley explained as a result of a recent appeal to the Board of Selectmen for a home occupation for a small construction business in the middle of a residential area purposing ten (10) pieces of equipment and storing materials, the Zoning Board did not feel that this was appropriate and the testimony that the people brought to the board when the subject made his presentation confirmed this. This warrant article removes site contractors from being permitted uses.

**YES – 641 NO – 344**

**Article 3 PASSED**

#### **Article 4: Sheds – Zoning Article 6 Section 16 and Article 12**

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance to prohibit metal storage containers from being used as sheds or accessory buildings in residential zones? These structures may still be used in commercial zones. **[Recommended by the Planning Board 4-0] Majority Vote Required**

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Joseph Foley explained that this article would give the voters the choice as to whether or not they would want to allow people to have metal containers used as storage sheds on their properties. It doesn't affect demolition debris, garbage dispensers, or pods when you're moving or building. Thomas Gauthier asked what happens if people already have these on their properties? Joseph Foley stated that they are already grandfathered.

**YES – 580 NO – 411**

**Article 4 PASSED**

#### **Article 5: Energy Efficiency – Zoning Article 22**

Are you in favor of the adoption of Amendment No. 5 as proposed by the

Planning Board for the Town Zoning Ordinance to remove Article 22, Energy Efficiency Zoning Article so the Planning Board can adopt them as part of the Site Plan Regulations? This will allow the Planning Board the ability to update this section to keep current with technology at a noticed public meeting. **[Recommended by the Planning Board 4-0] Majority Vote Required**

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Joseph Foley explained that this only applies to commercial property and not home owners. This will become a part of the site plan regulations and the Planning Board will be able to make changes yearly and not have it voted on by the town at a yearly Town Meeting.

**YES – 771 NO – 179**

**Article 5 PASSED**

#### **Article 6: Library Addition**

Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee. To see if the town will vote to raise and appropriate the sum of Six Hundred Thousand Dollars (\$600,000.00) for the purpose of the construction and original equipping of a 3,500 square foot addition to the existing library building at 151 Main Street and to authorize the issuance of not more than six hundred thousand dollars (\$600,000.00) of bonds or notes for up to a fifteen (15) year term in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to negotiate such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; and further, to authorize the Selectmen to take any other action or to pass any other vote relative thereto. There will be no tax impact in 2016. **[Recommended by the Board of Selectmen 3-1] [Not Recommended by the Municipal Budget Committee 5-5] 3/5 ballot vote required**

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Charlie Goodspeed explained the revised plans for the library expansion. He stated he put it out to bid and bids came in under the requested

\$600,000.00. Mark Vallone inquired about the bids that came in under the requested amount of \$600,000.00. Mr. Goodspeed responded saying that one bid came in around \$550,000.00 and the other two bids were closer to the requested amount. Mary Cloutier commented by saying that she feels that the library serves a purpose to the community.

**YES – 493 NO – 514**

**Article 6 FAILED**

#### **Article 7: 2016 Operating Budget**

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amount set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Seven Million, Four Hundred Eighty Nine Thousand, Five Hundred Twenty Nine Dollars (\$7,489,529.00). Should this article be defeated, the default budget shall be Seven Million, Two Hundred Eighty Seven Thousand, Five Hundred Eighteen Dollars (\$7,287,518.00), which is the same as last year, with certain adjustments required by previous action of the town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. **[Recommended by the Board of Selectmen 4-0] [Recommended by the Municipal Budget Committee 10-0] Majority Vote Required**

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Thomas Gauthier explained that the budget has increased due to the fact that there will be four (4) elections this year, the IT Department included additional funding for computer maintenance and the general government building budget increase includes funds for a new roof on the library. The Safety Facility includes costs for the roof at the West Epping Fire Station. Evaluation of property shows a decrease for eliminating the cost of property reevaluation. Contributions to the cemetery reflects the addition of the Prospect Cemetery due to the town taking over the management. Insurance and bonds have increased per

our contract plus an additional amount to pay LGC for the 2013 worker's compensation audit that was billed in 2013 and paid in 2016. Police Department budget increase includes contract increases, new Tasers and computer work stations. Fire and Rescue Budget includes an additional salary increase for one of the newest hires, changing the Administrative Assistants position to full-time, increasing the pay for when the part-time firefighters respond to calls while on-call duty. Building Inspection shows a decrease since purchasing the new vehicle last year. Highway Budget reflects a decrease in the equipment line since last year. The Transfer Station includes Lamprey Co-op fees increases and a new compactor. Changes in most department budgets included 3.4% increase in health insurance rates, 0% increase in our dental insurance rates and a 22% decrease in our short term disability. The NH Retirement reflects a full years of rate increase that were in effect as of July 1, 2015. Worker's Comp. rates increased 4.63% and unemployment insurance rates have decreased 30%. Salary lines include increases approved from the 2015 and at least a 3% possible increase in the 2016. The default budget is quite a bit less than the proposed budget and part of that is that money had to be put in the budget to make repairs to Watson Academy through the L-Chip Grant. If the budget doesn't pass and we go to the default budget that could affect the grant and the money may have to be paid back and return what hasn't been spent.

**YES – 658 NO – 324**

**Article 7 PASSED**

Robert Jordan commented by saying that from the Board of Selectmen's position they were asked by the Budget Committee to make cuts. **YES – 333 NO – 654**  
**Article 20 FAILED**

**Article 21: By Petition: Discontinue Portions of New Lane**

To consider whether to discontinue a portion of New Lane, a Class VI highway, which was closed subject to gates and bars pursuant to Warrant Article 18 of

the 1970 Epping Town Meeting, as depicted on the approved Subdivision Plans for Prescott Orchards, recorded at the Registry of Deeds as Plan D-34467. The Section to be discontinued runs from the intersection of New Lane with Macintosh Lane and continues through Tax Map 14 Lots 14-59, 60, 68, 82, 122 and Tax Map 8 Lot 14-67 and ends on Tax Map 14-14. The Land shall revert to the ownership of Prescott Orchards Land Development, LLC. This discontinuance shall resolve the title issues on this property. There is no tax impact for the taxpayers of Epping. This Warrant Article does not land lock the abutters from Prescott Road to the intersection of New Lane with Macintosh Lane. **[Not Recommended by the Board of Selectmen 4-0] Majority Vote Required**

**Thomas Gauthier made a motion to accept the article as read. Robert Jordan seconded.**

**Discussion:** Tim Matte, Managing member of Prescott Orchards stated that New Lane runs down behind the old Hetnar cider press building. It's an old class six (6) road and as it reaches the new road that goes through the development that's where the discrepancy arrived a few years ago that he was unaware of. On the maps it clearly showed as an old woods road and Mr. Matte believed that it would never be a conflict. The plan was fully approved by the Planning Board, signed off on and recorded at the registry of deeds. Mr. Matte explained that all they are asking is that where the old woods road runs through the property that it be discontinued. There is a total of 320 acres and only 100 acres are being developed. There was conversation about the remaining 220 undeveloped acres possibly be donated to the town. Mr. Matte displayed a map showing where the road needs to be discontinued and encourage residents to look at the map. Residents of Epping, James McGeough, Susan McGeough, Tom Weaver and Mark Vallone all spoke stating that they are not in favor of this warrant article. Epping resident Shannon Garwich spoke in favor of the warrant article stating that she didn't feel it would affect anyone walking on that section of road.

## Did You Know...

1. John Greenleaf Whittier had a connection to Epping? He fell in love with a schoolteacher that taught school and lived on Red Oak Hill. She married someone else, and Mr. Whittier never married.
2. Epping has four rivers that run through this town? The Lamprey, Pawtuckaway, (better known as "Stingy" river), North river and the Piscassic.
3. Applehurst Farm on Red Oak Hill had large apple orchards? Matthew Harvey grew Baldwin apples, and shipped them to many areas here and overseas. Baldwin's were great "keepers", they lasted many months.
4. A farm in West Epping was well known for growing cantaloupes? He developed many varieties that are still raised today. Imagine, growing this warm weather crop right here in Epping!
5. Did you know that Hedding had electricity long before the Town of Epping? The Newmarket Power Company supplied the electricity; Hedding was closer to Newmarket, than the town of Epping. Epping was very upset, and was quite vocal about it.
6. Epping had at least four dams, just on the Lamprey River. Two in West Epping, and two in the Village.
