- Some discussion followed regarding whether the \$1,700 requested and the one-dollar-per-resident appropriation request as quoted by the museum's Town Report description reflects an accurate census of the town's residents.

- Rosemary Kinerson requested that the Board discuss the financial impact of the May and August 2011 flooding.
 - Jeremy Roberts responded: Most of the funds due from the Federal Emergency Management Agency, as reported in the Town Report, have been collected. Most of the funds due from the State of Vermont have not been collected at this time because the State pays for all projects in one lump sum. A loan was secured in July to resolve cash flow shortages in anticipation of grant funds. The estimated cost actually borne by the Town for eligible flooding projects is between \$100,000 and \$125,000. The Selectmen consider this to be a good deal for the Town; over one million dollars in roadwork was done and roads are in better condition today than they were prior to the floods. The Selectmen thank the road crew, local contractors, and good neighbors for helping in the recovery from these town-wide hardships.
- Passed by voice vote.

ARTICLE 21. Shall notice of availability of the annual auditors' report be posted in at least two public places in the town and in or near the Town Clerk's Office, and published in a newspaper of general circulation in the town at least 30 days before the annual town meeting, pursuant to 24 V.S.A. § 1682 (a) and in lieu of mailing the report to the residents of the town?

- Robert Roos made motion to so move. Seconded.
- Passed by voice vote.

ARTICLE 22. Shall the Town convey the real estate located at 4465 US Route 5 North upon terms and conditions as determined by the majority of the Selectboard?

- Robert Roos made motion to so move. Seconded.
- Joyce Evans asked if the Selectmen have a buyer, and for what price they plan to sell this property.
 - Theodore Faris responded: This property has been the subject of a project with the Vermont Petroleum Clean-Up Fund, as contamination from a leaking underground storage tank has dissipated. This arrangement has worked well, and the contamination has now diminished to a level that allows for sale of the property. The Selectmen have received a substantial offer from a potential buyer. They plan first to offer the property to abutting owners at the fair market value determined by the Board of Listers. If no abutting owners wish to purchase the property at this price, the Selectmen will offer it to a wider range of potential buyers.
- Mona Marceau asked when the Selectboard would actually sell this property, since the former Town Garage, which the Town voted to convey several years ago, is still in town ownership.
 - Jeremy Roberts responded: The buyer of the former Town Garage listed on page 120 of the Town Report (Town Garage LLC) is not a town entity but a private corporation. The proceeds from this sale were deposited into the Municipal Buildings Fund, as reported on pages 71 and 72 of the Town Report.
- David Warden made motion to call the question. Seconded.
 - Approved by voice vote to proceed to vote on the question.
- Passed by voice vote.

ARTICLE 23. To elect an agent to convey real estate owned by the Town and located at 4465 US Route 5 North.

- Shirley Warden asked if the Selectboard has a preference regarding who should be elected.
 - Theodore Faris responded: The Selectboard would prefer to that the Selectboard itself be elected, if the voters so choose.
- The Selectboard nominated by John Cook.
- The Selectboard elected by voice vote.

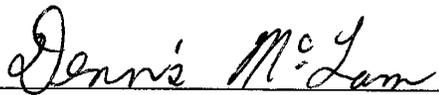

ARTICLE 24. In light of the United States Supreme Court’s *Citizens United* decision that equates money with speech and gives corporations rights constitutionally intended for natural persons, shall the Town vote to urge the Vermont Congressional Delegation and the U.S. Congress to propose a U.S. Constitutional amendment for the States’ consideration which provides that money is not speech, and that corporations are not persons under the U.S. Constitution, that the General Assembly of the State of Vermont pass a similar resolution, and that the Town send its resolution to Vermont State and Federal representatives within thirty days of passage of this measure?

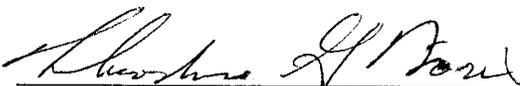

- John Cook made motion to pass over this article. Seconded.
- A voice vote was had, immediately after which Howard Gaston called for a division of the house.
 - The results of the paper ballot vote on the question of passing over the article were: eighty-seven “No” and twenty-seven “Yes.” The article was therefore not passed over.
- Celina Wright made motion to so move. Seconded.
- Celina Wright spoke in favor of the resolution: Ms. Wright was responsible for collecting signatures for inclusion of this article on the warning. The Supreme Court decision adversely affected the core of American democracy, giving too much power to corporations.
- George Copenrath spoke in opposition to the resolution: There is too much money in politics, but the passage of a Constitutional amendment would be to use a large tool to repair a problem that only requires a small tool; this would have unintended negative consequences.
- Theresa Del Pozzo spoke in favor of the resolution: The Constitutional amendment would not result in a fundamental change to American democracy but a return to original American democracy wherein each person must play by the same rules.
- Peter Blose spoke: It does not appear that this article speaks in favor of any particular legislation in the United States Congress, so there is no need to suggest that passage of the resolution will necessarily support Senator Bernie Sanders’s legislation.
- Michael Lamp spoke in favor of the resolution, quoting an unknown source who said, “I’ll believe corporations are people when Texas executes one.”
- Celina Wright spoke in favor of the resolution: This resolution should be viewed as a values statement, not an endorsement of any particular politician or legislation.
- Jack Lesnik spoke: Citizens should have the right to express opinions regarding Supreme Court decisions.
- Ms. Wright’s motion to so move passed by voice vote.

ARTICLE 25. To transact any other business that may legally come before the meeting.

- Rosemary Kinerson asked the Selectboard to comment regarding maintenance of dead-end roads.
 - Theodore Faris spoke: The Selectboard would prefer that any concerns regarding road maintenance be discussed with the Road Foreman prior to the Selectboard.
- Mona Marceau spoke regarding a concern about the maintenance of the triangle intersection of Old West Road and West Main Street.

- Hezzie Somers spoke: Residents of the town appreciate the Selectboard trying to run the town the way that town businessmen run their businesses.
- Peter Blose and Shirley Warden spoke regarding Green-Up Day, to be held May 5, 2012.
- Theodore Faris made motion to adjourn. Seconded.
 - Passed by voice vote. Meeting adjourned at 2:10 p.m.
