The polls were readied by the crew from the Department of Public Works, with instructions in the booths and posting of sample ballots, instructions, and warrants. Two vote tabulator machines had started testing on Tuesday March 6, 2018 at 2:00 p.m. in Conference Room B at the Gilford Town Hall and continued on Wednesday March 7, 2018 at 9:30 a.m. Ballots were counted at the same time and put into sets of 25 for Election Day. Sandra McGonagle, Town Clerk-Tax Collector Denise Gonyer and Deputy Town Clerk-Tax Collector Jennifer Mooney conducted the testing and counted the ballots. The testing of the machine confirmed with the hand tally and was found to be 100% accurate.

The Inspectors of Elections were instructed to give a full set of ballots (three white town ballots, and one yellow school ballot) to each voter. Larry Routhier was sworn in by Moderator McGonagle as Assistant Moderator. Dennis Green verified that the two ballot boxes were empty prior to the start of the day. John Ayer verified that the third ballot box was empty and the elections result tape and counter both read zero. Moderator McGonagle signed a receipt for 2,311 ballots. Moderator McGonagle declared the polls open at 7:00 a.m., with the ringing of the Arthur Tilton Bells. The Moderator took a moment to thank the election officials and workers, explained the voting process. She also reminded everyone that there would be no electioneering allowed or campaigning within the polling area. McGonagle led the Pledge of Alliance. A continental breakfast, as well as dinner was provided by Bill and Sally Bickford. Absentee Ballots were processed at 9:00 a.m.

At 7:00 p.m. the Moderator announced the polls closed and allowed the voters in the voting booths to finish voting. When the booths were emptied McGonagle and Gonyer began running the results of the tally machines. The voting boxes were emptied and the write in ballots were separated and counted. Hand counting was completed and the official election results were announced by the Moderator at 8:35 p.m.

The total number of registered voters at the opening of the polls was 6,336; at the close of the polls 18 newly registered voters were added to the list for a total of 6,354 total registered voters. The numbers of ballots cast were 1114 (including 97 absentee ballots). The results ended with a 17% voter turnout.

The Moderator read the results as follows:

ARTICLE 23: Shall the Town vote to establish a Police Dog and Training Capital Reserve Fund under the provisions of RSA 35:1-c for the purpose of purchasing a new police dog and training when necessary; and to raise and appropriate the sum of two thousand nine hundred dollars, (\$2,900), to be placed in this fund; and furthermore, to appoint the Board of Selectmen as agents to expend? It would appear that between donations and grant money the Town of Gilford will finally (2018) get a much-needed new dog and training for the Police Department to replace Ike, who passed away in February 2017. We feel the responsibility for providing a police dog and training lies within the Town instead of repeated solicitations from individuals, businesses and grants. The extensive time needed to conduct a campaign to raise funds greatly delays the acquisition of a much-needed new dog following a dog's demise or retirement. It is no secret that New Hampshire is at the top of the list for opioid use. The assistance a dog can provide in drug related instances and also in search and rescue operations is critical. To quote Lieutenant James Leach of the Gilford Police Department, "It is a tremendous asset to have a dog and we need all the tools we can have."
